Additional information (Hobbies, interests, personal qualities, etc.)			
<p>Cheerful, positive, energetic, responsible person. After three years of work at the bank, I decided change profession. I like to learn something new, I'm not afraid to take on the study of something difficult. In programming, I think it is important not only knowledge of the language, but also algorithmic training. In my free time I have sports, I like to watch kind and interesting cartoons.</p>
